

In Between The Weekends

From Rogersville UMC

June 24, 2020

One Step at a time: We are all anxious for the church to be open and all activities to resume. Right now the building is closed except for worship, Little Lambs Day Care and Celebrate Recovery. Two weeks ago we opened the pavilion for small group meetings. More and more groups are taking advantage of this opportunity for fellowship and study. To reserve a day and time contact Kris at the office.

Once the new Cases Of COVID 19 decrease and maintain at a low level, we will consider opening other programs. All re-openings are a decision made by the Administrative Board. We do hear you asking to reopen the building, and appreciate your desire to resume your programs, but until it is safe, we will proceed with an excess of caution. Thank you for your patience.

Meanwhile We Worship at 10.

We worship in the sanctuary and/or on the lawn--we are practicing being flexible – We will continue to live stream.

Graduation Sunday has been postponed due to a spike in COVID 19 cases.

Looking for volunteers:

- To operate camera for live streaming – see Kerrie
- To set up sound system on the lawn – see DeShawn
- To be part of an evangelism team that will greet our new neighbors – 30 some odd new houses = 30 some new families – see Pastor Carol

Please be in prayer for:

Haley Barclay, Priscilla Cosby, for our country, for families affected financially by COVID 19, for families quarantined and isolated because of COVID19, for families fearful of being infected by COVID 19

For Your Reflection

A football in my hands is worth about \$20.

A football in Tom Brady's hands is worth about \$15 million.

It depends on whose hands it's in.

A basketball in my hands is worth about \$25.

A basketball in Shaquille O'Neal's hands is worth about \$30 million.

It depends on whose hands it's in.

A baseball in my hands is worth about \$6.

A baseball in Alex Rodriguez's hands is worth more than \$20 million.

It depends on whose hands it's in.

A tennis racket is useless in my hands.

A tennis racket in Venus Williams' hands is a championship winning racket.

It depends on whose hands it's in.

A rod in my hands will keep away a wild animal.

A rod in Moses' hands will part the mighty sea.

It depends on whose hands it's in.

A sling shot in my hands is just a kid's toy.

A sling shot in David's hand was a mighty weapon.

It depends on whose hands it's in.

Two fish and 5 loaves of bread in God's hands will feed thousands.

It depends on whose hands it's in.

Nails in my hands might produce a birdhouse.

Nails in Jesus Christ's hands will produce salvation for the entire world.

It depends on whose hands it's in.

As you see now... it depends on whose hands it's in.

So, put your concerns, your worries, your fears, your hopes, your dreams, your families and your relationships in God's hands. Because... It depends on whose hands it's in.
